

3
cont
further includes the step of incorporating means to rotate the platform, said motive means being positioned between the foundation and the mould formed of the plurality of bail sections; and

said blanks, sleeves and packing and the corresponding spaces, in the mould and panels thereof, are all positioned on the edges of the straight sides of each bail section.

✓ Claim 26, line 14, delete "maximise" and insert --maximize-- therefor.

REMARKS

Prior to examination of this application, the Examiner is respectfully requested to consider the above-listed amendment.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
